Dear Mr Stevens,

We received a letter from Miss Schrey stating you wished a snapshot of our son, Floyd Hart, and I'm enclosing one to you. We too have been gathering for a scrap book of Floyd. If you have a picture of your son we would be very glad to get it and if you are successful of getting the addresses of the crews families will you please let us know for I would like to get in touch with them.

Wishing you a lot of luck, I am

Very respectfully

Mrs A A Hart.
